

**All Flange Material is FDA Approved
and certified. Hand packed and hand
inspected item.**

Precision Flanges Engineered For Performance

Delivering High-Quality, FDA-Approved Flanges Designed For Superior Fit, Durability, And Compatibility Across Liquid Filtration Systems. Built For Professionals Who Demand Reliability And Efficiency — Direct From The Source.

Applications for Liquid Filter Bags

- Clean Electrolytic Solutions
- Filter Bottle and Can Wash Water
- Filter Broiler Food Water
- Filter Condensate
- Filter Poultry and Meat Wash Water
- Filter Pump Seal Water
- Filter Recirculating Water
- Filter Scrubber Water
- Ground Water Filtration
- Filter Waste Oil for Reuse
- Filter Cooling Tower Water
- Keep Spray Nozzles Open
- Prefilter Chiller and Air Conditioners
- Prefilter Reverse Osmosis Systems
- Protect Catalyst Beds
- Protect Glue Applications
- Remove Oversize Particles from Slurries
- Remove DE Filter Carryover
- Remove Char Particles
- Remove Particles from Coatings
- Remove Plastic Fines from Water
- Remove Precipitated Solids
- Remove Pulp from Juices
- Remove Undispersed Solids

Misc

- Adhesives
- Beer
- Beverages
- Cooling Water
- Dyes
- Liquors
- Paints
- Pharmaceuticals
- Resins
- Shampoo
- Solvents

Chemical

- Acetic Acid
- Brine
- Calcium Carbonate
- Cooling Tower Water
- Ethylene Glycol
- Herbicides
- Hydrochloric Acid
- Latexes
- Pelletizer Water
- Polymers
- Resins

Petroleum

- Amine
- Completion Fluids
- Cooling Tower Water
- Feed Stocks
- Fuel Oil
- Hydraulic Oil
- Injection Fluids
- Motor Oil
- Naphtha
- Pump Seal Water
- Reduced Crudes

Paper

- Clay Slurry
- Cooling Water
- Decker Shower Water
- Dyes
- Fresh Water
- Mill Water
- Pigmented Coatings
- Pump Seal Water
- Size
- Starch
- TiO₂ Slurry

Food

- Chocolates
- City and Well Water
- Corn Syrup
- Dextrose
- Edible Oils
- Extracts
- Jelly
- Juices
- Lard
- Milk Sugar
- Peanut Butter

Flanges AMT 7"

Part #(60-62035)

Product Data

Specification & Details

Sold By:	Case
Case Qty:	100 Pieces
Case Wt:	12 lbs.
Case Dim:	18" w × 18" l × 18" h
Units/Skid:	24 Cases
Skid Wt:	Gross —580 lbs.
Skid Dim:	40" w × 48" l × 80" h
Pieces Per Skid:	2,400
Min. Order:	1 Case
